

ESPP 91r Course Enrollment Form 2016/17

ESPP 91r: Supervised Reading and Research on topics not covered by regular courses of instruction.

If you are enrolling in 91r for the Senior Capstone Project/Requirement, please check here []
A reminder that the capstone project requires students to conduct an in-depth examination of a particular environmental issue consistent with their field of specialization
(the typical requirement is a term-paper or equivalent.)

Description of your 91r project:

Please answer the following questions using additional pages, and submit them with this form to the
ESPP Office – Museum of Comparative Zoology, 26 Oxford Street, Room 444C.

Note that this completed enrollment form is due to the ESPP Office on Study Card day:

Wednesday, September 14, 2016 (fall term)

Monday, February 6, 2017 (spring term)

- Describe your topic and/or indicate the body of scholarly literature that will form the basis of your readings.
- Schedule: Indicate anticipated times/frequency with which you will meet with your sponsor (e.g. weekly on Fridays at 1:00pm).
- Statement signed by your 91r sponsor explaining how your grade will be determined.

Please note that a **written report** of approximately 15 pages is **due** in duplicate in the
ESPP Office at Noon on

Fall term: Monday, December 5, 2016 and Spring term: Friday, April 28, 2017
