**Questions/Notes**

- *Please submit a brief statement about your academic interests in ESPP. This will help us to match you with a faculty advisor with similar interests.*

- *Optional: Please share a recent photo and 2 – 3 sentences about yourself for our **ESPP Faceboard** – Back before Facebook was Facebook, every Harvard House produced a "facebook" (on paper no less) that had an entry for each student, staff, associated faculty - with a photo and a small amount of information. The goal was to help build community. We would like to do something similar in ESPP - so that students and faculty have an easy way to learn a few things about each other. You will have complete control over what information is listed by your name and no one will be able to comment or modify this. Our ESPP Faceboard will be available via our website and will be accessible to members of the ESPP community only.*

*Please e-mail your photo and completed form to the ESPP Advising Office at: [espp@fas.harvard.edu](mailto:espp@fas.harvard.edu)*
